We Learn About Ourselves Through Our Relationships With Others

Youth . . . A Time To Reflect About The Past And Dream About The Future.

As you, the first graduates of this third century in America, take your place in the world of adults, you face an exciting and challenging future. The frontiers of adventure are lying untouched before you; greet these frontiers with courage and faith and hope and love in your hearts. You have much of yourselves to give and share with others. Remember John Donne's statement that "no man is an island entire of himself." Therefore, leave the world a better place than you found it by serving others. Look up! Reach for the stars!

The Prisoner Of Second Avenue

by Neil Simon

The CHS Players directed by Mrs. Barbara Guile presented their first Neil Simon comedy. Says Mrs. Guile concerning Simon: "... best known for his talent at writing a wonderfully funny line...most appealing for his ability for taking a subject basically serious in nature and treating it with hearty, yet sympathetic humor, thus making us laugh at ourselves. In Neil Simon's plays there are always characters to be found with which we can identify. They are life—Life with its pressures, its pitfalls, its triumphs." The production was another creative presentation which developed into a close relationship for those participating.

Make Me Smile . . Homecoming '76 provided traditional and innovative spirit for the activities of the Homecoming season. The traditional pep rally, bonfire, and snake dance were held on Thursday night at the stadium-the same location where on the following evening the Hornets enjoyed a 49-8 romp over the Bulldogs of Brookfield. The Homecoming parade carried out the theme "Make Me Smile" with its floats clowns, band, royalty, and other entries. Queen candidates and attendants were introduced and Holly Juckette was crowned queen during halftime festivities. Decorating was done in the Armory for Saturday's dance which concluded the activities to make Homecoming '76 a memorable event
